DEFENDANTS

PLAINTIFF JACOB TEITELBAUM, appearing Pro Se, respectfully requests this
Honorable Court to revert its position from its current non neutral and partial one to a neutral and
impartial position pursuant to Canon Codes of Judicial Conduct and the following law.

Plaintiff requests this Honorable Court pursuant to the Canon Codes of Judicial Conduct
2(A),(B), 3(A)(1),(3),(4), 3(C)(1)(a), and 18 U.S.C. § 144 to revert its position back to neutral, to
allow impartiality and neutrality to rule this case.

Plaintiff realized the Court is currently biased and shifted away to side with the Defendants, and took part in their conspiracy against the Plaintiff.

Courts are supposed to be impartial and neutral, the courts are there to protect civilian's rights, Federal Judges in their judicial oath undertake to act and stay impartial.

Federal Judges are also obligated to obey the law.

Butz v. Economou, 438 US 478 (1978), "No man in this country is so high that he is above the law. No officer of the law may set that law at defiance with impunity. All the officers of the government, from the highest to the lowest, are creatures of the law, and are bound to obey it." *United States v. Lee*, 106 U. S., at 220.

Olmstead v. United States, 277 US 438 (1928), "Crime is contagious. If the Government becomes a lawbreaker, it breeds contempt for law; it invites every man to become a law unto himself; it invites anarchy."

Owen v. City of Independence, 445 U.S. 622 (1980), "The innocent individual who is harmed by an abuse of governmental authority is assured that he will be compensated for his injury."

WHEREFORE, Plaintiff requests this court to change its position to a neutral and impartial one

Respectfully Submitted,

Jacob Teitelbaum, Plaintiff Pro Se
